

DREAM PROGRAM MEMO

ATTENTION!!!!!!

Starting Wednesday July 29th the Dream Program will have a new dedicated land line. This line will have an answering machine that will let you know the schedule, game, and cancellation information for that day. You will be able to call this number **after 4:30** to get that days information. Please do not call my cell phone unless it is an emergency. You can also leave messages on this answering machine anytime, as we will be checking it daily. Please help me eliminate the amount of calls I receive on game days at work. It has gotten completely out of hand and I can't do my job effectively while I am answering the phone with the same questions all day. If you have any questions please let me know. The new number is:

228-215-1767
