Executive Director Troy Trigg
Program Director Lindsay Trigg

Troy's Tale

The New Year is off to a great start! Lindsay and her crew- Heidi, Erin, and Devyn are completing their first go around of our NEW arts and crafts program with great success. Students made ornaments, jewelry, pottery, and art projects. But, most of all we enjoyed fellowship. Thanks to everyone that supported this program. We look forward to its future success and we learned a lot.

Our second season of basketball is upon us and the St. Al's gym is open for shooting hoops. We look forward to seeing you there. Even if you are not a player, come cheer on your favorite team!

The golf tournament planning is well under way and we are getting a head start this year with a goal of raising \$10,000. I know we can do it with all of your support. There will many things to look forward to including a silent

auction and a putting and chipping contest the day of the tournament. The contest will be for people with disabilities and will be hosted by the local golf pro. There will be prizes and certificates at an award's ceremony. Families are also encouraged to join us for lunch immediately following the contest. There will be more information to come about his exciting day...May 3rd. MARK YOUR CALENDAR NOW!!!!

And last but not least...My proudest moment of the year is the new addition to my Trigg family—Cassie Elizabeth Trigg born January 17, 2008. She was 8 lbs. 2 oz. and 20 inches. Bailey and Sam are in love with their new baby sister "Cassie Beth". We will be showing her off soon!

Thanks again for your continued support and making dreams possible!

- Register for programs
- View pics, newsletters, upcoming events
- Purchase merchandise

New Addition

Cassie Elizabeth Trigg
 Born January 17th, 2008
 8lbs. 2oz.
 20 inches

Golf Tournament

The date of the golf tournament is May 3rd, 2008. It will be a Saturday event. We are in need of volunteers to help with donations, and teams. Our goal this year is to raise \$10,000. We can reach this goal if each family tries to get a team to play in the tournament and one donation. Please see the website for the proper forms and applications or pick one up at basketball from Troy or Lindsay. We are looking

forward to our most successful year of all! The golf tournament is our main fundraiser and allows us to provide all of our services to YOU free....we need your support! Again, we need:

- Golf teams
- Donations
- Items for silent auction

Dear Athletes,

Thank you to all of you that pre-registered for basketball. This makes our first night and game run smoothly. It also allows us to create the proper number of teams. We run into problems when you do not pre-register. When you late register then we have to add you to a team. When this happens we end up having too many on one team. We want everyone that wants to play to play! We do not want to discourage anyone

even if you have to late register. However, if possible please get your registration in ASAP. Remember, now you can register on-line. Eventually, everyone will be required to register online unless you do not have access to a computer. This will make registration much more efficient!

Thank you for your consideration in this matter! Troy and Lindsay
